Dear Applicants,

Revamp on the specialism for BEng (Hons) Scheme in Building Sciences and Engineering (JS3110)

We write to inform you that the Hong Kong Polytechnic University (PolyU) has recently approved the revamp of the specialism of Building Services Engineering of the BEng (Hons) Scheme in Building Sciences and Engineering (JS3110) by integrating it into the mainstream programme with effect from 2024/25 intake cohort.

The revamped programme offers more flexible advanced elective subject choices while the first-year study curriculum's hours, teaching pattern, assessment requirements, teaching responsibilities, and subject titles remain unchanged. All admitted applicants will study for the BEng (Hons) in Building Sciences and Engineering [建築科學及工程學(榮譽)工學士] programme and the revamped programme has been accredited by the Hong Kong Institution of Engineers (HKIE).
