2023 JUPAS Admissions Scores of 9 JUPAS Participating-institutions (applicable to LOCAL JUPAS applicants only)

The information contained on the JUPAS website is solely owned by JUPAS. The JUPAS Office cautions members of the public that any such information reproduced in part or in whole in any format by parties other than JUPAS and without the prior knowledge or written consent of JUPAS may be incomplete, misleading, and / or inaccurate. JUPAS takes no responsibility for the unauthorised use of any of its information. Members of the public are advised to refer to the information contained on the JUPAS and 9 JUPAS participating-institutions' websites as the official source of Admissions Scores.

The information contained here is provided by the respective JUPAS participating-institutions and is **applicable to LOCAL JUPAS APPLICANTS** only.

You are advised to consult the websites of the respective JUPAS participating-institutions for further and additional information. Should there be any discrepancies between the information contained here and the websites of the respective JUPAS participating-institutions, the information contained on the latter shall prevail.

As not all programmes select students on the basis of HKDSE Examination levels / grades alone and the actual levels / grades of the students admitted to each programme may vary from year to year (depending on the overall levels / grades achieved by applicants in a particular year, the number of applicants applying to the programme, changes in selection criteria, *etc*.), information in this section is for reference only, and **should not be used to predict the chance of admission** to any programme in subsequent years.

City University of Hong Kong
2023 JUPAS Admissions Scores

The admission scores shown on this webpage are applicable to **local** students only.

For applicants who have fulfilled the minimum entrance requirements, admission scores are calculated for selection purposes.

The information contained here is based on the admission scores (with weightings applied where appropriate) of applicants who have received offers in the Main Round of the JUPAS admission exercise. Students admitted through special routes (e.g. Other Experiences and Achievements in Competitions/Activities, Principal's Nominations, Sports Talents, Disabled Applicants and Home and Youth Affairs Bureau Multi-faceted Excellence Scholarship) are not included.

Students are reminded that score weightings and calculations may vary each year. As different weightings are used, admission scores are not comparable across programmes or admission years. The median and lower quartile scores are for reference only and should not be used to predict the likelihood of admission. The selection criteria vary each year, and many types of score are used in the selection process. In addition to public examination results, other factors (such as band choices and interview performance) may be considered.

From 2024 entry onwards, Liberal Studies will be replaced by Citizenship and Social Development (CSD). Results of CSD and Liberal Studies will not be applicable for score calculations. Please click here for more details about 2024 JUPAS admission score calculations and subject weightings.

Notes:

1. *Median and/or lower quartile scores are not presented for programmes with a small number of JUPAS offers.*

2. *For JS1041, JS1042, JS1043, JS1044, JS1805, JS1806 and JS1807 programmes which recognise some Category B Applied Learning subjects as one elective, a score of '3' (Attained with Distinction I) or '4' (Attained with Distinction II) are used in the score calculation.*

3. *If students take both M1 and M2, they are counted as one subject only.*

Hong Kong Baptist University
2023 JUPAS Admissions Scores

The information contained here is based on the subject results achieved by the applicants at the

a) study programme's mean of <u>summation scores of 4 HKDSE core subjects plus 2 best elective subjects scores</u> (category A, B and C subjects) obtained by applicants admitted to respective study programmes in JUPAS Main Round (3 points for ENGL and CHIN will be added if the applicant uses alternative Chinese and/or English results other than HKDSE to fulfill the entrance requirements);
b) median position (in the middle); and
c) lower quartile position (3/4 way down)

of the JUPAS Main Round offer ranking list of each programme.

As not all programmes select students on the basis of HKDSE results alone and the actual results of the students admitted to each programme may vary from year to year (depending on the overall results achieved by applicants in a particular year, the number of applicants applying to the programme, changes in selection criteria, etc.), information in this section is for reference only, and should not be used to predict the chance of admission to any programme in subsequent years.

*Remarks on score formula: The score formula for each programme below applies to 2023 entry only. For the updated score formula of each programme for 2024 entry, please refer to the website: http://admissions.hkbu.edu.hk/ug/dse_weighting.

Taking into consideration that ALL HKBU programmes will adopt "Best 5 subjects" for admission score calculation for the 2024 Entry, the "Programme Mean – Best 5 subjects" scores (without subject weighting) are provided on page 7 for your reference. Please be reminded that all figures provided are for reference only.

Note:

1) The information provided here is based on the HKDSE examination results without subject weighting of offered applicants in the JUPAS Main Round. Students admitted via special admission routes are excluded.

2) Elective subjects in Categories A, B and C are included in the mean score calculation.

3) To view the HKDSE results of applicants at the median and lower quartile positions of each programme, please refer to http://admissions.hkbu.edu.hk/ug/jupas_score

4) The figures provided are for reference only. They should not be used to predict the chance of admission because the selection criteria vary each year. Other factors (such as interview performance, band choice, non-academic performances) on top of the public examination results are taken into consideration in the selection process.

5) Only a small number of programmes followed "Best 5 subjects" score mechanism in the admissions exercise for 2023 Entry. Taking into consideration that ALL programmes will adopt "Best 5 subjects" for academic score calculation for 2024 Entry, the "Programme Mean – Best 5 Subjects" scores (without subject weighting) are provided for illustrative purposes only.

Lingnan University
2023 JUPAS Admissions Scores (Main Round)

NOTES:

1. The **(Weighted) Admission Scores** calculated below are based on **ANY Best Five Subject** mechanism.

2. Students admitted via JUPAS Sub-systems/Schemes and Entrance Scholarship for Elite Athletes are excluded.

3. The HKDSE level attainments are converted to the level points as follows:
   ● Category A Core/Elective Subjects: 5** =7; 5* =6; 5 =5; 4 =4; 3 =3; 2 =2; 1 =1   ● Category C : A =5; B =4; C =3; D =2; E =1

4. The subject scores are based on the subject results achieved by the applicants at the median and lower quartile position.

5. Evaluation of applicants is based on academic and non-academic performance, interviews, and other relevant factors.

6. Admission scores are not comparable between programmes or admission years because of the different weightings adopted.

7. The information below is for reference only and should not be used to predict the chance of admission in subsequent years.

Note:
Programmes at the University adopt either Best 5 or 4C+2X as the selection principle. Applicants to JS4501 and JS4502 are strongly recommended to take a third elective. The total score of all subjects (4 cores + 2 or 3 electives) is used to rank students. The conversion of level 5** = 7, level 5* = 6, level 5 = 5, level 4 = 4, level 3 = 3. Please refer to the programme website for details.

Notes:

(1) In the admission process, some programmes may have additional requirements which are not reflected in the **Programme Weighted Total** above. For the latest admission information, please visit http://admission.cuhk.edu.hk/jupas/download.html

(2) To protect the data privacy of individual student, the admission grades of programmes with small number of JUPAS Main Round offers are excluded.

(3) *Please note that as admission is not based on public examination results alone, and the overall scores of students admitted to each programme vary from year to year, the information provided is for reference only, and should not be used to predict the chance of admission to any programme in subsequent years*.

The Education University of Hong Kong
2023 JUPAS Admissions Scores

Selection Criteria

The Education University of Hong Kong (EdUHK) adopts a holistic approach in the assessment of applicants' suitability for the teacher education and multidisciplinary programmes. During the selection process, we take into account applicants' HKDSE results, band choices, interview performance, school reference reports, other learning experiences and/or achievements in non-academic areas, etc. Applicants nominated under various nomination schemes may be considered favourably with good school reference report, interview performance and relevant achievement/experience. For entry to the specific programmes like Chinese, English, Mathematics, Music, Physical Education and Visual Arts, applicants have to demonstrate a required level of competence in the subject area.

Admission Score Calculation

The admission score is the sum total of the level/grade values of the best five HKDSE subjects (i.e., Best 5), regardless of whether they are core or elective subjects and excluding the Citizenship and Social Development subject. Subject weightings may be adopted in the score calculation for particular programmes. Applicants are reminded that score calculations and the specific subject weightings may vary each year among programmes.

Upon score calculation and compilation of interview results (if any), eligible applicants will be given a rating in the Merit Order List (for submission to the JUPAS Office) according to the ranking criteria of individual programmes. The ranking criteria include, but are not limited to, the admission score (with weightings applied where appropriate), interview performance, band choice, relevant HKDSE subject(s) score, school reference report, OEA, SLP, etc.

Subject levels/grades are converted into numeric values according to the following scoring system:

Category A : Senior Secondary Subjects						
Level	5**	5*	5	4	3	2	1
Score	7	6	5	4	3	2	1

Category B : Applied Learning Subjects*			
Result	Attained with Distinction (II)	Attained with Distinction / Attained with Distinction (I)	Attained
Score	4	3	0

excluding DSE Applied Learning Chinese (for NCS students)

Category C : Other Language Subjects						
Grade	A	B	C	D	E	Others
Score	7	6	5	4	3	0

The Hong Kong Polytechnic University
2023 JUPAS Admissions Scores

For applicants who have fulfilled the minimum entrance requirements, admission scores are calculated based on their HKDSE results and subject weightings for selection purposes.

The information provided here is the HKDSE examination results of offered applicants in the JUPAS main round. Students admitted through STARS with conditional offer are excluded. Please note that the figures provided below are for reference only since the HKDSE results of students admitted to each programme vary from year to year. Moreover, some programmes consider applicants' other profiles, as well as interview performance and/or Band choices.

2023 JUPAS Admissions Scores

POINTS TO NOTE FOR 2023 JUPAS ADMISSIONS SCORES:

1. HKUST calculates weighted scores based on 2023 program-specific formulae, of which certain subjects are given heavier weighting.
   Further admissions scores for reference based on the 2024 program-specific formulae will be provided in due course.
2. All admissions scores are applicable to local students and are provided for reference only. The public examination results of students admitted to each program vary from year to year. HKUST considers an application's whole profile, on top of the HKDSE score.
3. All scores presented in this leaflet is based on the following conversion scale for 2023 Entry:
   Conversion of levels to scores (Category A Core/ Elective Subjects)   **5** = 8.5, 5* = 7, 5 = 5.5,** 4 = 4, 3 = 3, 2 = 2

Hong Kong Metropolitan University
2023 JUPAS Admission Scores

Bachelor's Degree Programme

All weighted scores are calculated based on programme-specific formulae. Some programmes may assign a heavier weighting to certain subjects based on their particular programme requirements. The weighted admission scores have taken heavier subject weighting, if any, into account.

The scores and subject weighting may vary from year to year and should only be used as a reference and do not imply chance of admissions in subsequent years.

Admission to the programme is on a competitive basis. The University considers an applicant's whole profile (including band choices, preferred subjects and interview performance, etc.), in addition to the HKDSE score. As such, satisfying the university admission requirements does not guarantee admission.

Students with Alternative Qualifications in Chinese Language (ACL) are not included in the calculation of score.

Selection Principles

- **Best 5**: Best 5 subjects in Category A or Category B or Category C of HKDSE

Grade Conversion Tables

- Unless otherwise stated in the Programme-specific subject requirements, HKDSE Category B subjects (Applied Learning) with attainment at "Attained" or above; or Category C subjects (Other Languages) with attainment at grade E or above can be considered as elective subjects.

- Mathematics Extended Part (i.e. Module 1 (Calculus and Statistics) / Module 2 (Algebra and Calculus)) can be counted as an elective subject. If applicants have taken both Module 1 and Module 2, only the module with best result will be taken into consideration.

Category A: Senior Secondary Subjects

Remarks

^The University has continued to adopt flexible admissions arrangements in the 2023/24 academic year and expanded this to programmes under the Non-means-tested Subsidy Scheme for Self-financing undergraduate studies in Hong Kong (NMTSS). Except for JS9580, JSSU40, JSSU50 and JSSU55, the arrangements has applied to all candidates who wish to apply for 2023/24 HKMU undergraduate progrmames under both the Study Subsidy Scheme for Designated Professions/Sectors (SSSDP) and the NMTSS via the Joint University Programmes Admissions System (JUPAS). Under the arrangements, JUPAS applicants who fail to achieve Level 3 in either Chinese or English may still be considered by the University, provided that they attain a score of not lower than Level 2 in the subject in which they underperformed and achieved Level 5* or above in one other category A subject. The candidates' total HKDSE score must still meet the minimum expected admission score of their preferred programme, and they must place the programme in their Band A choice in JUPAS and pass an interview.
