

Introduction

To facilitate the 9 JUPAS participating-institutions and the SSSDP institutions in considering your performance in activities in addition to your academic results, you can submit Other Experiences and Achievements in Competitions / Activities (OEA) via your JUPAS account. Such information will serve as important additional reference for admission selection and can also be used as a framework for discussions during selection interviews.

The OEA information comprises 2 parts: "Awards / Activities" and "Additional Information". You can enter a maximum of **10** OEA awards / activities. The JUPAS online application system will randomly select and request for the respective supporting documents based on awards and activities listed in your OEA information to be uploaded. Such OEA awards / activities will be **highlighted in pink** once they are submitted.

Please refer to the section of "[Requirements on Supporting Documents](#)" for the requirements on supporting documents. Please note that you **NEED NOT** upload any supporting documents for the OEA items **NOT** highlighted in pink.

Submission / further amendment / uploading of required supporting documents after the deadline will NOT be accepted.

If you wish to find out more details about OEA, please visit the sections of "[Other Experiences and Achievements in Competitions / Activities \(OEA\)](#)" and "[FAQ](#)" on the JUPAS website.

Should there be any inconsistency or ambiguity between the English version and the Chinese version, the English version shall prevail.
