

## **Introduction**

You may update your programme choices before the release of the HKDSE Examination results within the specified period in any of the following options:

- **REPLACE** a programme choice with another one / **ADD** new programmes to the original programme choice lists (as long as the total number of programme choices does not exceed 20);
- **REARRANGE** the order of the programme choices; and / or
- **DELETE** programmes from the programme choice list.

There is no upper limit on the number of payments of amendment fee you can make and the number of times you can update your programme choices. After successful payment of amendment fees, you can log in to your JUPAS account to update and submit your programme choices.

### **Updating / submission after the deadline will NOT be accepted.**

Otherwise your programme choices will only remain in “My DRAFT Programme Choices” and will not be considered by the Institutions. Your saved DRAFT programme choices will **NOT** be automatically submitted to CONFIRMED programme choices.

If you wish to find out more details about updating of programme choices, please visit the section of [“Updating of Programme Choices \(before Release of HKDSE Examination Results\)”](#) and [“FAQ”](#) on the JUPAS website.
