### Introduction

The information contained here is based on the subject passes achieved by the applicants whose positions are

- a) in the middle ("median"); and
- b) 3/4 way down ("lower quartile")

of the JUPAS Main Round offer ranking list of each of the programmes offered by the JUPAS member-institutions in the respective year.

The HKALE grades shown may be obtained from more than one sitting, except in the case of The Chinese University of Hong Kong, from which all HKALE grades shown were obtained in one and the same examination.

As not all programmes select students on the basis of HKALE and HKCEE grades alone and the actual grades of the students admitted to each programme may vary from year to year (depending on the overall grades achieved by applicants in a particular year, the number of applicants applying to the programme, changes in selection criteria, etc.), information in this section is for reference only, and should not be used to predict the chance of admission to any programme in subsequent years.
