As not all programmes select students on the basis of HKDSE Examination levels / grades alone and the actual levels / grades of the students admitted to each programme may vary from year to year (depending on the overall levels / grades achieved by applicants in a particular year, the number of applicants applying to the programme, changes in selection criteria, etc.), information in this section is for reference only, and **should not be used to predict the chance of admission** to any programme in subsequent years.

The Education University of Hong Kong 2023 JUPAS Admissions Scores

Selection Criteria

The Education University of Hong Kong (EdUHK) adopts a holistic approach in the assessment of applicants' suitability for the teacher education and multidisciplinary programmes. During the selection process, we take into account applicants' HKDSE results, band choices, interview performance, school reference reports, other learning experiences and/or achievements in non-academic areas, etc. Applicants nominated under various [nomination schemes](#) may be considered favourably with good school reference report, interview performance and relevant achievement/experience. For entry to the specific programmes like Chinese, English, Mathematics, Music, Physical Education and Visual Arts, applicants have to demonstrate a required level of competence in the subject area.

Admission Score Calculation

The admission score is the sum total of the level/grade values of the best five HKDSE subjects (i.e., Best 5), regardless of whether they are core or elective subjects and excluding the Citizenship and Social Development subject. Subject weightings may be adopted in the score calculation for particular programmes. Applicants are reminded that score calculations and the specific subject weightings may vary each year among programmes.

Upon score calculation and compilation of interview results (if any), eligible applicants will be given a rating in the Merit Order List (for submission to the JUPAS Office) according to the ranking criteria of individual programmes. The ranking criteria include, but are not limited to, the admission score (with weightings applied where appropriate), interview performance, band choice, relevant HKDSE subject(s) score, school reference report, OEA, SLP, etc.

Subject levels/grades are converted into numeric values according to the following scoring system:

Category A : Senior Secondary Subjects							
Level	5**	5*	5	4	3	2	1
Score	7	6	5	4	3	2	1

Category B : Applied Learning Subjects*

Result	Attained with Distinction (II)	Attained with Distinction / Attained with Distinction (I)	Attained
Score	4	3	0

**excluding DSE Applied Learning Chinese (for NCS students)*

Category C : Other Language Subjects

Grade	A	B	C	D	E	Others
Score	7	6	5	4	3	0

It is important to note that the admission scores announced here are for reference only. The examination results and admission interview results of students admitted to each programme vary from year to year and should not be used to predict the chance of admission in future years.
