As not all programmes select students on the basis of HKDSE Examination levels / grades alone and the actual levels / grades of the students admitted to each programme may vary from year to year (depending on the overall levels / grades achieved by applicants in a particular year, the number of applicants applying to the programme, changes in selection criteria, *etc.*), information in this section is for reference only, and **should not be used to predict the chance of admission** to any programme in subsequent years.

The Hong Kong Polytechnic University 2023 JUPAS Admissions Scores

For applicants who have fulfilled the minimum entrance requirements, admission scores are calculated based on their HKDSE results and subject weightings for selection purposes.

The information provided here is the HKDSE examination results of offered applicants in the JUPAS main round. Students admitted through STARS with conditional offer are excluded. Please note that the figures provided below are for reference only since the HKDSE results of students admitted to each programme vary from year to year. Moreover, some programmes consider applicants' other profiles, as well as interview performance and/or Band choices.
