The information contained here is extracted from the websites of the respective JUPAS participating-institutions.

You are advised to consult the websites of the respective participating-institutions for further and additional information.

As not all programmes select students on the basis of HKDSE levels / grades alone and the actual grades of the students admitted to each programme may vary from year to year (depending on the overall levels / grades achieved by applicants in a particular year, the number of applicants applying to the programme, changes in selection criteria, etc.), information in this section is for reference only, and **should not be used to predict the chance of admission** to any programme in subsequent years.

The Hong Kong University of Science and Technology 2012 JUPAS (HKDSE) Admissions Scores

For applicants fulfilling the School-specific entrance requirements, their HKDSE Scores will be calculated by school-specific subjects and weightings.

Admission figures are provided here for reference only. In reading the information, please note that the public result attainments of the students admitted to each program vary from year to year. Moreover, we consider an applicant's overall profile, on top of the HKDSE Score.
