No part of this publication may be reproduced in any material form (including but not limited to photocopying or storing it in any medium by electronic means or on the internet or otherwise) without the prior written permission of JUPAS / JUPAS participating-institutions except in accordance with the provisions of the Copyright Ordinance.

The information contained in the JUPAS website is solely owned by JUPAS. The JUPAS Office cautions members of the public that any such information reproduced in part or in whole in any format by parties other than JUPAS and without the prior knowledge or written consent of JUPAS may be incomplete, misleading, and / or inaccurate. JUPAS takes no responsibility for the unauthorised use of any of its information. Members of the public are advised to refer to the information contained in the JUPAS and 9 JUPAS participating-institutions' websites as the official source of Admissions Scores.

The information contained here is provided by the respective JUPAS participating-institutions and is **applicable to LOCAL JUPAS APPLICANTS** only.

You are advised to consult the websites of the respective JUPAS participating-institutions for further and additional information. Should there be any discrepancies between the information contained here and the websites of the respective JUPAS participating-institutions, the information contained in the latter is final.

As not all programmes select students on the basis of HKDSE Examination levels / grades alone and the actual levels / grades of the students admitted to each programme may vary from year to year (depending on the overall levels / grades achieved by applicants in a particular year, the number of applicants applying to the programme, changes in selection criteria, *etc.*), information in this section is for reference only, and **should not be used to predict the chance of admission** to any programme in subsequent years.

JS9731	Bachelor of Science with Honours in Environmental Science and Green Management	15	15	-
JS9732	Bachelor of Science with Honours in Life Sciences	16	15	-

Remarks:

Score is computed by multiplying the converted points (Level 2 = 2 points, Level 3 = 3 points, Level 4 = 4 points, Level 5/5*/5** = 5/6/7 points) of each of the 4 Core subjects and 1 Elective subject in HKDSE by the respective subject weighting as stipulated by the programme concerned, and then adding the products of each of the 5 subjects together. The admission score is normally calculated based on 4 core subjects and 1 elective subject for all programmes except JS9530, JS9540, JS9550, JS9560, JS9570 & JS9580, of which the admission score is calculated based on the best 5 subjects.

All weighted scores are calculated based on programme-specific formulae, which may assign a heavier weighting to certain subjects that the programmes have particular requirements. The weighted admission scores have taken heavier subject weighting, if any, into account. The scores and subject weighting may vary from year to year and should only be used as reference.

Unless otherwise stated in the Programme-specific subject requirements, HKDSE Category B subjects (Applied Learning) with attainment at “Attained” or above; or Category C subjects (Other Languages) with attainment at grade E or above can be considered as elective subjects. Also, Mathematics Extended Part (i.e. Module 1 (Calculus and Statistics) / Module 2 (Algebra and Calculus)) can be counted as an elective subject. If applicants have taken both Module 1 and Module 2, only the module with best result will be taken into consideration.

* Students with Alternative Qualifications in Chinese Language (ACL) are not included in the calculation of score.
