Elective Subject(s)	Minimum Level
ANY 2 SUBJECTS	2

Applicants with previous HKDSE subject result of A040 'Liberal Studies' will be used as the alternative of the core subject requirement of A045 'Citizenship and Social Development'.

1. Unless otherwise stated in the Programme-specific subject requirements, HKDSE Category B subjects (Applied Learning) with attainment at "Attained" or above; or Category C subjects (Other Languages) with attainment at grade E or above can be considered as elective subjects, and up to 2 Applied Learning subjects (excluding Applied Learning Chinese) will be recognized as electives.
2. Mathematics Extended Part (i.e. Module 1 (Calculus and Statistics) / Module 2 (Algebra and Calculus)) will be counted as an elective subject. If applicants have taken both Module 1 and Module 2, only the module with best result will be taken into consideration.
3. Non-Chinese Speaking (NCS) applicants, who have met the specified circumstances as announced by the Education Bureau (EDB), can use the following qualifications to replace HKDSE Chinese Language level 3 to meet the entrance requirement for Chinese Language:

- 'Attained' or above in HKDSE Category B (Applied Learning Chinese); or
 - Grade E or above in GCE (A-Level / AS-Level / O-Level) Chinese ; or
 - Grade E / Grade 3 or above in GCSE / IGCSE Chinese
- For programmes with specific entrance requirements on the Chinese Language proficiency, please click [here](#) for details.

4. In addition to the General Entrance Requirements, individual programme may require specific subject requirements. Also, some programmes may give higher weighting to certain subjects, core and/or elective, and some may also grant preference to certain elective subjects in admission selection. Please refer to the 'Programme-specific subject requirements' for details or click [here](#).
5. The University accepts combined results of HKDSE examination. The best results will be considered for meeting the entrance requirements and for the calculation of admission scores.

Calculation of scores for applicants with more than 1 sitting in HKDSE Examination

HKMU will consider the best grade attained for a particular subject from any sittings of HKDSE examination taken by the applicant. There is no grade penalty for multiple sittings.

Programme Full Name	Bachelor of Science with Honours in Science (STEAM)
Programme Short Name	科學 (S T E A M) 榮譽理學士
Programme Short Name	BSc(Hons)Science(STEAM)
Short Description	One of the aims in this programme is to provide students the flexibility to study modules in one or more STEAM subject(s) and the opportunity to develop their skills, knowledge and capabilities through the Science (STEAM) study. It can develop students' ability to identify career/personal goals and study options and to take steps to determine required qualifications and reflect on skills and experience. The flexibility of the STEAM degree makes it relevant to a wide range of careers and industries – many of which require proficiency in a range of STEM-based skills. Its flexibility particularly suits people with multi-faceted work roles.
