

## Introduction

If you have upgraded HKDSE Examination result(s) on subject level(s) / grade(s) after rechecking and remarking (RR results), **regardless of whether you have been given / have accepted a Main Round offer**, you are eligible to submit a request for reconsideration of your application based on your RR results (Reconsideration) **WITH / WITHOUT** modification of your programme choices.

If you wish to modify your programme choices, you may modify your programme choices as at the deadline for updating of programme choices **ONCE** only, free of charge in any of the following options by the specified deadline:

- **REPLACE** a maximum of 5 programme choices on the programme choice list with new programmes / **ADD** a maximum of 5 new programmes to the original programme choice list (as long as the total number of programme choices does not exceed 20); and / or
- **REARRANGE** the order of the programme choices; and / or
- **DELETE** programmes from the programme choice list.

If you do not wish to modify your programme choices, your "My CONFIRMED Programme Choices" will be considered by the 9 JUPAS participating-institutions and / or the SSSDP institutions (the Institutions).

If you have been given a Main Round offer, the Institutions will only reconsider programme choice(s) placed **ABOVE** your Main Round offer. Please refer to the section of ["Important Notes to Applicants WITH Main Round Offers"](#) for details.
