Resubmission of Reconsideration (Based on Upgraded RR Results*) User Guide

(For applicants with accepted Main Round offers - Missed allocated time slots)

You are entitled to submit a ONE-TIME PAID REQUEST for Resubmission of Reconsideration only.

Before proceeding, you should:

- Read and confirm the Declaration.
- Pay the resubmission fee of HK\$250.00.
- Review and modify your programme choices (restored to the version held on 27 May 2026); AND
- Submit the resubmission by 13 Aug 2026 (6:00 PM).

Important notes:

- You are not allowed to delete your Main Round offer from your programme choice list.
- You must place the programmes you wish to be reconsidered for "better" offers ABOVE your Main Round offer.
- Only the programme(s) placed above the Main Round offers will be reconsidered by the 9 JUPAS participating-institutions and / or the SSSDP institutions.

Once your payment has been successfully processed, a 60-minute resubmission window will commence immediately for you to complete and submit your resubmission request. If the payment is made after 6:00 PM on 13 August 2026, you may have less than 60 minutes to complete and submit your resubmission request since the submission window will close at 6:00 PM on 04 August 2026, regardless of the payment time.

After resubmitting your request, please note that:

- A confirmation email and SMS will be sent to you.
- Your paid Request for Resubmission will be regarded as used.
- No further resubmission requests will be accepted.

Declaration:

- I have reviewed the following in relation to the Request for Reconsideration (Based on Upgraded RR Results):
 - Online Application System User Guide for Applicants
 - Information on the JUPAS Website on Request for Reconsideration of Application Based on Upgraded HKDSE Examination Results on Subject Levels / Grades after Rechecking and Remarking
- I have read and understood the actions I can take regarding the Resubmission of Reconsideration.
- The resubmission fee is non-refundable and non-transferable.
- I understand that if I am given a "better" offer (i.e. the highest preferred programme of my choice), it will be the FINAL offer in the same academic year (2026 - 2027). This arrangement does not allow me to choose between two offers at the same time. As such, my original Main Round offer will be withdrawn immediately. I can only choose to accept or decline the "better" offer. If I choose to decline the "better" offer, I can request a refund of the acceptance fee at the amount of HK\$5,000.00 that I have paid in Main Round.
- I understand that if I am given a "better" offer after the Reconsideration, I will not be reconsidered for admission to any other programmes under JUPAS in the same academic year (2026 - 2027), regardless of whether I accept or decline the offer.
- Failure to complete or successfully submit the resubmission within the allowed time is my sole responsibility.

*RR Results refer to upgraded HKDSE Examination results on subject levels / grades after rechecking and remarking.
