Feedback on Special Consideration

Check Feedback on Special Consideration of School Principal’s Nominations (SPN)
INTRODUCTION

If you are nominated under School Principal’s Nominations (SPN), you will be considered by the 9 JUPAS participating-institutions and / or the SSSDP institutions (the Institutions) concerned for your Band A programme choices as at the deadline for Updating of Programme Choices (before Release of HKDSE Examination Results) on an individual basis.

The Institutions may at their discretion:

1. make conditional offer(s) (in terms of achievements in HKDSE Examination) before the release of the HKDSE Examination results; or

2. give bonus points to you when compiling the merit order lists for the iteration process to improve your chances of admission to the nominated programmes; or

3. give no conditional offer(s) nor bonus points to you.

You can check the feedback on special consideration of SPN and the related information as from the specified date before the release of the HKDSE Examination results.

If you are given conditional offer(s), you will be guaranteed place(s) in the programme(s) concerned as long as you fulfil the condition(s) as specified by the Institution(s) offering you conditional offer(s). However, conditional offer(s) may be WITHDRAWN if the programme(s) concerned are moved away from Band A after the release of the HKDSE Examination results, or if you have failed to meet the conditions set for the conditional offer(s).

If you want to know more details about SPN, please visit the sections of “School Principal’s Nominations (SPN)” and “FAQ” at the JUPAS website.
