Check Feedback on Special Consideration of Other Experiences and Achievements in Competitions or Activities (OEA)
(Last updated on 8 July 2022)

INTRODUCTION

If you have submitted Other Experiences and Achievements in Competitions or Activities, in short: OEA information, you may be given conditional offers by the 9 JUPAS participating-institutions and the SSSDP institutions, in short: the Institutions, based on the OEA information you have submitted.

You can check the feedback on special consideration of OEA and the related information as from the specified date before the release of the HKDSE Examination results.

If you are given conditional offers, you will be guaranteed places in the programmes concerned as long as you fulfil the conditions as specified by the Institutions offering you conditional offers. However, conditional offers given may be WITHDRAWN if the required supporting documents are not received by the JUPAS Office on or before the specified deadline.

The JUPAS online application system ONLY supports single log-on. Please refrain from logging on your JUPAS account with multiple devices and browsers simultaneously to ensure data integrity.

You will be notified by the JUPAS Office by email and SMS of the details of submission. Please note that conditional offers given may be **WITHDRAWN** if the required supporting documents are not received by the JUPAS Office on or before the specified deadline.
