(Last updated on 3 August 2022)

INTRODUCTION

The offer results for reconsideration of application based on upgraded HKDSE Examination results on subject levels or grades after rechecking and remarking, in short: RR results, will be announced as from 9:00 am on the day of the announcement. If you have submitted a request for reconsideration of application based on RR results, you can log on your JUPAS account to check the offer result, registration or enrolment procedures and the related information.

Each successful applicant will receive only ONE “better” offer from one of the following from the programme choice list:

1. a UGC-funded programme, OR
2. an HKMU self-financing programme, OR
3. an SSSDP programme.

The “better” offer is the BEST AND ONLY offer to be made in the same academic year and is of the highest possible priority on the applicant’s programme choice list. Please note that once you are given a “better” offer after reconsideration of your application based on RR results, regardless of whether you have indicated your acceptance of the “better” offer via your JUPAS account, or completed the registration/enrolment procedures at the institution offering you admission, your original Main Round offer will be withdrawn. The “better” offer given to you is therefore your FINAL offer.

The JUPAS online application system **ONLY** supports single log-on. Please refrain from logging on your JUPAS account with multiple devices and browsers simultaneously to ensure data integrity.
