Offer Results for Reconsideration of Application Based on RR Results

Check Acceptance and Payment Status
(last updated on 5 August 2021)

INTRODUCTION

After your acceptance fee has been processed, you will receive notifications of successful payment according to the schedule as listed at the JUPAS website. If you do not receive the notifications after completion of the relevant procedures, you should enquire at the JUPAS Office immediately.

You are required to complete your registration or enrolment procedures during the designated period as specified by the institution offering you admission. If you fail to do so, you will be regarded as having DECLINED your offer or “better” offer even if you have paid the acceptance fee. You will NOT be reconsidered for admission to any other programmes offered under JUPAS in the same academic year regardless of whether your offer or “better” offer is a UGC-funded programme, an OUHK self-financing programme or an SSSDP programme. Any fees paid will not be refunded or transferred to another year or other application.

The offer or “better” offer is the BEST AND ONLY offer to be made in the same academic year and is of the highest possible priority on your programme choice list and also is your FINAL offer.
