Clearing Round Offer Results

Check Acceptance and Payment Status

Last updated on 3 August 2022
INTRODUCTION

After the acceptance fees have been processed, applicants will receive notifications of successful payment according to the schedule as listed at the JUPAS website. If they do not receive the notifications after completion of the relevant procedures, they should enquire at the JUPAS Office immediately.

Applicants are required to complete the registration / enrolment procedures during the designated period as specified by the institutions offering them admission. If they fail to do so, they will be regarded as having DECLINED their Clearing Round offers even if they have paid the acceptance fees. They will NOT be reconsidered for admission to any other programmes offered under JUPAS in the same academic year regardless of whether their Clearing Round offers are UGC-funded programmes, HKMU self-financing programmes or SSSDP programmes. Any fees paid will not be refunded or transferred to another year / other application.

The Clearing Round offer is the BEST AND ONLY offer to be made in the same academic year and is of the highest possible priority on the applicant’s programme choice list.

If you want to know more details about Clearing Round offer, please visit the sections of “Clearing Round Offer” and “FAQ” at the JUPAS website.
