INTRODUCTION

Other Experiences and Achievements in Competitions / Activities (OEA) is one of the factors in addition to the achievements at the HKDSE Examination which the 9 JUPAS participating-institutions and the SSSDP institutions will consider.

To facilitate the 9 JUPAS participating-institutions and the SSSDP institutions in considering your performance in activities in addition to your academic results, you are advised to submit your OEA information via your JUPAS account.

Such information will serve as important additional reference for admission selection and can also be used as a framework for discussions during selection interviews.

Submission / further amendment / uploading of required supporting documents after the deadline will NOT be accepted.

If you want to know more details about OEA, please visit the sections of “Other Experiences and Achievements in Competitions / Activities (OEA)” and “FAQ” at the JUPAS website.
