(Last updated 17 December 2021)

INTRODUCTION
After the JUPAS Office, the 9 JUPAS participating-institutions and the SSSDP institutions, in short: the Institutions, have obtained your HKDSE Examination results or entries from the HKEAA, you should log on your JUPAS account to check and confirm whether the HKDSE Examination years obtained by the JUPAS Office and the Institutions is correct. If you fail to do so, you will not be able to access your application information.

Please note that if you have used different identity documents to register for different sittings in the HKDSE Examination and should you fail to indicate in your JUPAS account, the JUPAS Office and the Institutions will NOT be able to obtain ALL your past and current HKDSE Examination results from the HKEAA. In such case, your application may be disadvantaged, since the Institutions would not be able to review all your HKDSE Examination results.
